## Tuition Reimbursement Program

Receive \$11,000 in airline sponsored tuition reimbursement through ATP's Tuition Reimbursement Program. Exclusively for ATP graduates, this innovative program provides financial assistance to aspiring commercial pilots.

### 1 Graduate Airline Career Pilot Program

*Graduate from the Airline Career Pilot Program* in 180 days (from zero time), earning your Commercial Multi-Engine pilot certificate with Certified Flight Instructor certificates.

### 2 Guaranteed CFI Job

*Guaranteed Flight Instructor job with ATP*, after graduation, where you can earn up to \$42,000 annually, including airline tuition reimbursement. Gain necessary flight experience to reach airline hiring minimums of 1500 hours.

### 3 Tuition Reimbursement

Between 300-500 hours total time, interview with GoJet. If you accept GoJet's offer, they pay \$5 per flight hour toward your loan payment (or directly to you if you do not use a loan). You'll receive roughly \$5,000 in *tuition reimbursement* during this time.

### 4 Airline Minimums

After approximately 18 months as a flight instructor, you will be at *airline minimums* and ready to take the next step in your professional pilot career. \$500 monthly tuition reimbursement payments continue to supplement first-year airline pay for at least 12 months.
