GoJet Airlines Announces Enhanced Flight Attendant Work Rules

Rule enhancements take effect on March 1, 2016

February 11, 2016

GoJet Airlines is pleased to announce that it will provide its Flight Attendants with a number of enhanced work rules. The enhancements include improvements in hourly pay, holiday pay, deadhead pay, and per diem, in addition to 100% line guarantee protection, and increases in monthly guaranteed hours and minimum days off.

“Our Flight Attendants put forth tremendous effort each and every day, and we are excited at this opportunity to show our appreciation for all that they do” said Michaela Klasner, Director of Inflight Services at GoJet Airlines. “Additionally, we strive to be competitive within the regional airline industry, and these changes reflect that.”

The enhancements are a result of collaboration between GoJet Airlines and its Flight Attendant Advisory Council, a group of GoJet Flight Attendants who provide feedback to GoJet management on a variety of topics.

The work rule enhancements will take effect on March 1, 2016.
